d e d i c a t e d t o . . .

Thirty years ago there came to Stetson University a man destined to take his place in the hearts of the faculty, the administration, and the students. As professor of piano, Director of the Department of Music, and Dean of the School of Music, he has served Stetson well and willingly, yet modestly. He is a brilliant musician of national renown, a beloved teacher, an untiring and capable worker.

Under his direction the Department of Music developed to its present position as a School of Music of the University. Through his guidance Stetson musicians have become known the world over.

It is with proud hearts that we humbly dedicate this 1952 HATTER to

Once again it is my privilege to express appreciation for the loyalty of the more than a thousand students who make up our college family; loyalty that has been demonstrated in many ways, among them devotion to high ideals—Christian ideals, American ideals.

Two years ago, the editors of the annual honored the memory of one of our founders, John B. Stetson, Sr., of Philadelphia, by using "hats" to tell the Stetson story. This year, the editors pay tribute to another one of our founders in using "shoes" to tell the same fascinating story. In doing this, they acknowledge the prominent success of Charles T. Sampson, a shoe manufacturer in New England.

Stetson students like to honor patrons such as these, who, having prospered in business, have felt an urgent obligation to preserve the same idea of individual responsibility in the field of education.

As you and I look back upon the interesting days of the past year, I am confident that we will remember them as the happiest period of our life. Even our problems have not been without benefit. We have faced them realistically, and have felt that victory is sure and certain. Thus we have achieved genuine happiness.

Colleges like Stetson are going to be needed badly in the months and years immediately ahead, and I am sure that you share my conviction that the best days of Stetson are ahead of us. What is past is prologue!

I send warm personal greetings to all Stetson men and women everywhere.

Gratefully yours,

J. OLLIE EDMUNDS,

Fellow Students:

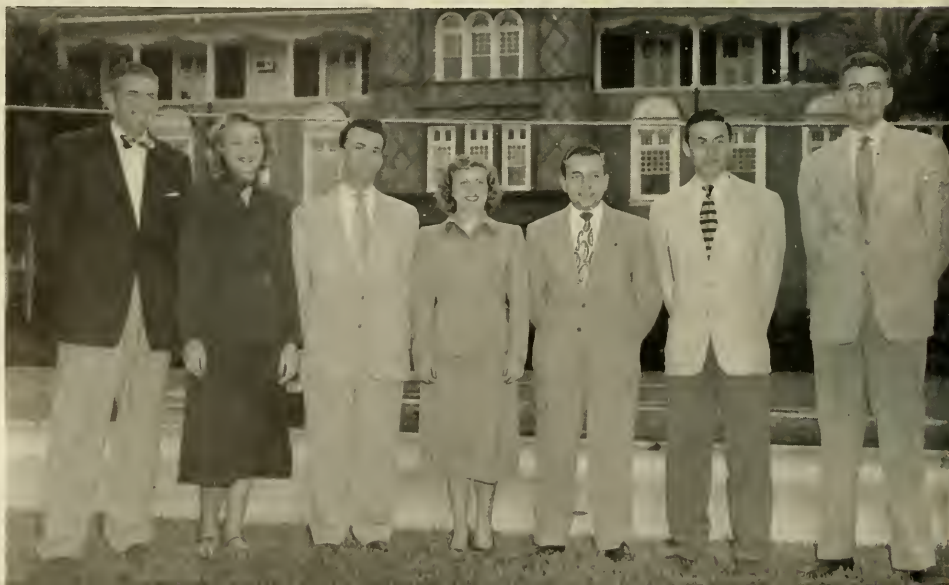

We, the officers of the student body, have to the best of our ability, attempted to give you the type of student government for which you have expressed a desire and one which we believe you could be proud of. We sincerely hope that we have fulfilled the trust that you have placed in us.

On behalf of the other officers and myself, I would like to say that the great honor and privilege which you have vested in us, this past year, is one which we shall always cherish.

liberal arts

Stetson was founded in 1883 and became a university in 1837. Known first as DeLand Academy, its name was changed to Stetson University in honor of John B. Stetson, well-known hat manufacturer, who gave generously of his time and means.

Housed jointly in Elizabeth Hall, Flagler Science Hall and Holmes Hall, the School of Liberal Arts students climb to the top floors of each building daily in search of knowledge with which to equip themselves against the problems which are encountered throughout life.

the stetson law students association

The Stetson Law Students Association consists of the entire membership of the College of Law. Its purpose is to provide a unified association of students enrolled in the College of Law, with a view toward maintaining a closer relationship among the students of the various classes and between the individual student and the administration. The Association endeavors to promote the interest of the students individually and collectively, and to provide a measure of self-government for the members of the Law School.

The Honor Court, which is a part of the Association, serves as a court for the trial of infractions and the recommendation of punishment in cases of guilt. The court consists of a judge elected by the Association, who presides over all trials, and a jury drawn from the membership for each individual trial, students acting as prosecuting and defense attorneys. Florida rules of procedure are used for all trials.

Phi Alpha Delta is a national law fraternity founded in 1898 at Chicago, Illinois. It has chapters in fifty-eight of the leading American law schools and thirty-one alumni chapters in the larger American cities. The David J. Brewer Chapter was installed at the Stetson University Law School in 1915.

The purpose of Phi Alpha Delta is to encourage scholarship, to promote the discussion of legal subjects, to effectuate fellowship, and to foster the high ideals of the legal profession.

Phi Delta Phi was founded on December 13, 1869, at the University of Michigan, Ann Arbor, Michigan. It thus became the first legal, as well as the first professional, fraternity to be founded in the United States.

The fraternity has striven constantly to promote a higher standard of professional ethics in law schools and the profession at large.

JAMES LINDER FLEMING

January 7, 1924

September 17, 1951

Jim Fleming shall be remembered by those who knew him for his outspoken frankness, his strong character, his sincerity, and his keen wit.

Graduating from Cherryville (Kansas) High School in 1942, he enlisted in the Army Air Force and upon graduation served as a fighter and bomber pilot, afterwards spending a year with the occupational troops in Germany.

He entered Stetson University in January, 1949. As an honor student he held membership in the Phi Society, Phi Alpha Theta, and Scroll and Key. His scholarship record at the Law School included membership in the Thomas Law Club, of which he was president, and the Phi Alpha Delta law fraternity. For his outstanding work in the Law of Contracts and the Law of Sales, he received an award from a large book publisher. He was a member of the Glee Club and the Travel Squad and participated in several productions at the Stover Theatre.

We salute James Linder Fleming, who departed to the land of no return as a result of a plane crash while instructing a student in a cross-country flight. The trail of footprints on the sands of time of this senior will forever be seen by his friends and his classmates.

Death as it wings its swift way through time calls on each of us; not one of us escapes. John R. Cable, head of the Department of Economics of the School of Business, died at his home on December 2.

Born in Freeman, Missouri, Dr. Cable received degrees from the University of Missouri, the University of Chicago, and Columbia. He served as President of Missouri Valley College before coming to Stetson.

John R. Cable was a scholar, author, and gentleman. His pathway of footprints on the sands of time was indeed a great one and will long be remembered in the field of education.

JOHN RAY CABLE

March 5, 1891

December 2, 1951

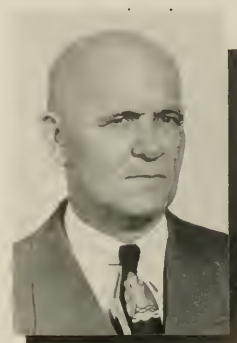

Harry E. Caldwell, Colonel, U. S. Medical Corps, member of the psychology staff, died at the DeLand Memorial Hospital on January 4.

Dr. Caldwell attended Ohio Wesleyan University where he received his Bachelor's and his medical degrees.

Dr. Caldwell served his country well during the last World War, training or commanding six hospital units overseas and at home. Besides his service during the war, Dr. Caldwell also had a private practice in Columbus, Ohio.

As a teacher, he was on the faculty of the Barborton, Ohio, high schools, the Universities of North Dakota, New Mexico, and Ohio State. He, also, was a lecturer at Ohio Wesleyan University.

Dr. Caldwell was well known and well liked on the Stetson campus. The path of footprints on the sands of time of this instructor will not be lost to his students and associates.

june week, 1951

FLORIDA CO-ED SELECTED AS NAVAL ACADEMY "COLOR GIRL"

A brown-eyed co-ed from Stetson University was selected as the 75th "color girl" of the United States Naval Academy, Annapolis, Md.

She was Miss Fredda Coupland of Wildwood, Florida, 21-year-old university senior of five feet, four inches in height.

The pretty brownette from the "Sunshine State" has never before visited the Naval Academy. She was selected for the "color girl" honors by Midshipman James Alexander Winnefield, six feet, one and one-half inch First Classman of Kansas City, Mo.

The Stetson Hatters opened the 1951 season with an impressive slaughter of Patrick Field, 70-0, at the Citrus Bowl, DeLand's municipal stadium. With the defensive line holding the Fliers to a minus 24 yards on the ground, the Hatters scored almost at will with Bowden and Armstrong scoring three touchdowns each, while Marks and Werner picked up two apiece. Martin's talented toe added eight straight placements.

... navy didn't have it

The "big green" rolled up its second lop-sided victory by sinking the "middies" of Jax Navy 42-0 in Jacksonville. It was again on the ground that the Hatters sparkled with Armstrong pacing the attack with two touchdowns. Marks, Bowden, and a Johnson-to-Laude pass sent the other scores across. Navy's only serious threat sputtered late in the final quarter as Stetson's defense tightened on the 15.

Army picks up 46 yards

With a few skeptics saying "they're playing out of their class," the Hatters journeyed to Greenville, S. C., to meet the Furman Purple Hurricanes. Then for four quarters the shocked Furman rooters watched underdog Stetson literally fight the Hurricanes off their feet. Every man in the line-up was a hero that night, but the outstanding plays were Herb Werner's circus-catch of a Johnson aerial for a 61-yard scoring run, Walt Golde's extra point block, and Don Martin's seventeenth straight conversion which provided the victory.

... you were lucky, Sinkwich"

Stetson had to settle for a tie in a rough game with the Tampa Spartans in DeLand which was marred by a heated discussion over an offside penalty which would have given the Hatters time for a field goal attempt as the game ended. Stetson wasted no time in getting on the offensive as Bowden picked up a key block from Hendry and Gibson, and racked up the first touchdown with only 45 seconds showing on the clock. After Tampa had tied the score a Johnson-to-Raffaele pass sent the Hatters into the lead again in the third quarter. Stetson missed an opportunity for victory after Tampa had evened the score, as the clock ran out on Martin's field goal attempt.

... a couple of bad breaks"

After trailing for three quarters the F.S.U. Seminoles cashed in on a breakaway run and a blocked punt to defeat the Hatters 13-10 in their Homecoming at Tallahassee. Don Martin put the Hatters ahead 3-0 with a field goal early in the first quarter after Raffaele had stepped out of the end zone by inches to nullify a T.D. pass from Johnson. Stetson played a beautiful defensive game as Leathers, Tambur, King and the rest of the forward wall kept the Seminole backs bottled up with vicious tackles all afternoon. The Hatters' final tally came on a pass to Raffaele from a spread formation.

Stetson put a damper on Erskine's Homecoming hopes as they rocked the Flying Fleet 54-0 in Greenwood, S. C. The Hatters virtually scored every time they got their hands on the ball, with Raffaele, Armstrong, Werner, Lonsinger, and Parrish leading the scoring. Stetson rolled up a total of 589 yards to completely outclass Erskine. Don Martin ran his conversion string to 23 straight before he finally missed one.

"Come into my parlor," said the Spider . . .

The Hatter eleven displayed one of the finest games of the season in turning back the Southern Conference Richmond Spiders 19-14 here in the Citrus Bowl.

Richmond drew first blood and then scored late in the final quarter to make the contest appear closer than it actually was. Johnson was at his best as a signal caller and also the running of Werner and Armstrong were outstanding.

This was one of those odd ones where the Hatters won the game in every department except the scoring column. The Big Green rolled up a total of twenty-one first downs to the Terriers' four, and galloped 359 yards to the latter's 150, but could make good on only one of their three chances to score. Wofford drew first blood on a 49-yard run and forced the Hatters to come from behind to gain a tie. Stetson then began a 74-yard march which ended with Johnson sneaking over from the two. A stiff wind nullified two field goal attempts by Martin, and the Hatters had to settle for a 7-7 deadlock.

. . . we rocked 'em."

With bowl scouts in the stands, the Hatters unlimbered their offensive weapons to run roughshod over Livingston State of Alabama 42-20. Bobby Marks was the big gun in the Hatters' running game as he began a three-touchdown scoring spree with a 57-yard touchdown run on the second play of the game. Johnson's arm played a major part in the victory also, as he connected for 183 yards on eight heaves. Trailing 42-0, State finally got their passing attack going as next year's Hatters finished the game.

The rampaging Hatters gave returning alumni a thrilling afternoon show of power and finesse as they romped to a 26-14 Homecoming victory over a tough Eastern Kentucky eleven. Johnson faked the whole E. Kentucky team to the right and then flipped a T.D. pass to Werner who was all alone on the left sideline, for the first score. Later in the half Werner copped an 81-yard scoring drive as he gathered in a Johnson pass, reversed his field, and rambled 37 yards behind beautiful blocking to score. Han plunged over for the final score in the second half.

The Stetson Hatters climaxed another terrific season with a 35-20 victory over the nation's top-scoring college combine, the Arkansas State Indians, in the Tangerine Bowl on January 1, 1952, in Orlando, Florida. Underdogs by two touchdowns and trailing 13-7 at the half, a revived Hatter eleven came back to turn what seemed to be certain defeat into a brilliant victory. The outstanding play of the game and the one which broke State's back occurred when Laude took a Johnson pass flat on his back in the end zone to score. Martin added one of his five straight conversions and the Hatters took a lead they never relinquished. Johnson hung up his cleats with a great performance, tossing three T.D. passes to Laude to earn the MOST VALUABLE PLAYER TROPHY.

AS HIS TEAMMATES CARRY ON IN THE FIELD OF SPORTS, WE PAUSE . . .

in memoriam

A path of footprints on the sands of time that shall never be lost to our hearts is that of Philip Lloyd Andrew Jochem, Jr., who was accidentally killed May 23, 1951. This path led through the lives of his friends and associates on the football field, in the classrooms, and at campus gatherings.

Phil entered the Stetson School of Business September 17, 1950, from Ponce de Leon High School, Coral Gables, Florida. He was known and shall always be remembered on the Stetson campus as a true friend, a fine athlete, and a hard-working student. Phil's jovial spirit constantly brought happiness into the hearts of his friends and those who were associated with him. He was the kind of man that shall not be forgotten nor shall the things that he stood for ever be lost.

But when a life is taken, those who remain must carry on. That would have been Phil's wish; therefore, each of us must live on as if he were here.

opera workshop

Opera Workshop was founded at Stetson in 1950 for the purpose of introducing opera to the student through active participation. Its aim is to produce "singing actors" rather than merely singers.

A minimum of scenery and costumes is used. All scenes are sung in English.

In addition to offering courses in Radio Instruction, the University owns its own Standard Broadcast station, WJBS, operating at 1490 kilocycles and affiliated with the National Broadcasting Company. Pictured here is the Reception Room, the bank of transmitting and monitoring equipment, the switching and control point, and one of the studios. It is possible for students of the Radio Instruction courses to watch professional radio workers in their jobs of announcing, engineering, copy-writing, selling and administration. The University's Director of Radio, Dr. C. L. Menser, is General Manager; Lauren Mickle is Station Manager, and Bob Walton is Commercial Manager.

THE CITY OF DeLAND
and
DeLAND CHAMBER OF COMMERCE

Offer
Congratulations to the Graduating Class
of

STETSON UNIVERSITY

DeLand is located in the ridge section of east Central Florida, 110 miles south of Jacksonville, four miles east to the picturesque St. Johns River, famous for its black bass fishing, and twenty-two miles to the renowned beaches of the Atlantic seaboard. Being centrally located practically every point of interest in the state may be visited within one day's drive.

DeLand enjoys a delightful year-round climate. There is scarcely a day that the sun does not shine, sending forth its ultra-violet rays. Children grow strong and sun-tanned, the older people add years to their life's span. DeLand is a beautiful city, appealing to those of educational and cultural background. It is a friendly city—a city you will like.

The background of the entire page is a large, atmospheric photograph. It depicts a sky filled with heavy, textured clouds. A faint rainbow is visible on the right side of the sky. In the foreground, the dark silhouettes of trees and a building with a dome are visible against the lighter sky. In the center of the foreground, the silhouettes of a man and a woman are shown holding hands, looking towards the horizon. The overall mood is romantic and elegant.
